# o Greenwood's Green Gateways

We all feel better for time spent outdoors in relaxing, green surroundings.

Take a stroll in the fresh air, walk the dog, let off steam with the kids, watch wildlife or just quietly appreciate the changing seasons. Green spaces, woodland and parks have so much to enjoy.

This booklet is about green places that are helping to create the Greenwood Community Forest and are open for everyone, all year round. These green places form Nottinghamshire County Council's 'Green Estate'.

We hope it will encourage you to get out and about, and discover Nottinghamshire countryside. Read on to find out about:

- Events
- Hands on Conservation
- Health Walks
- 'Friends of' groups
- Volunteering

## o What is the Green Estate?

As well as the larger country parks in Nottinghamshire, there are many smaller green spaces, perfect for a quick walk, to feed the ducks or picnic under the trees. These sites are part of the County Council's "Green Estate". They are small pieces of land that often connect to each other and act as a green gateway into the countryside.

These sites are managed by Nottinghamshire County Council's Countryside Management Team and include old sites such as pit tips, disused railway lines, new and restored woodland, agricultural land and quarries. Sometimes they are off the beaten track, and can be muddy at certain times of the year, but well worth exploring.

## o Health Walks

Convalescing from an operation or a period of illness? Or just want to take the first steps towards getting fitter? Whether you want to lose weight, increase mobility, or just meet up with new companions for an easy-paced stroll, health walks could be just right for you.

Walks start at around a mile in length, and you can choose some longer walks as your fitness improves.

All walks are thoroughly checked first and are led by an experienced walk leader. There are regular health walks programmes at several of our green gateway sites.

## o 'Friends Of' Groups

Many of our green gateway sites have 'Friends Of' groups. These are groups of like-minded people who've organised themselves to support their local park or green space. Some groups hold special events, walks and public activities. Others simply keep a watchful eye or get involved in fund raising, wildlife conservation or improvement projects. From building a website to going on a litter-pick, there are many ways to help. And if there isn't a Friends group in your area – why not start one!

## 1 Bestwood Country Park & Mill Lakes

**Address:** Alexandra Lodge, Northern Drive, Park Road, Bestwood Village, Nottingham, NG6 8UH

**Parking:** Bestwood Lodge Drive and Park Road

**Contact:** 0115 9273674

**Visit:** [www.nottinghamshire.gov.uk/bestwoodcp](http://www.nottinghamshire.gov.uk/bestwoodcp)

This 690 acre country park has so many different wildlife habitats it's almost like Nottinghamshire in miniature! From reclaimed colliery spoil heaps to ancient woodland that once formed the southern tip of Royal Sherwood Forest, and reed beds to heathland. There are many different landscapes here.

Miles of walking trails make this a great place to explore. It's also great for bird watching.

## 2 Dob Park

**Parking:** Washdyke Lane Lay-by, northern end of Hucknall Bypass

**Contact:** 01623 827329

**Visit:** [www.nottinghamshire.gov.uk/greenestatesites](http://www.nottinghamshire.gov.uk/greenestatesites)

The first woodland to be planted in the Greenwood Community Forest, on former arable fields. This semi-rural site has hard and grass footpaths through woodland and wetland habitats.

## 3 Linby Trail

**Parking:** Tilford Road, Newstead, Lay-by on Wighay Road, Linby

**Contact:** 01623 827329

**Visit:** [www.nottinghamshire.gov.uk/greenestatesites](http://www.nottinghamshire.gov.uk/greenestatesites)

A 2km trail on a former railway cutting of the Great Northern Railway, which transported coal from local collieries until 1984. The trail connects Freckland community woodland and Newstead Abbey to Newstead village.

## 4 Moor Pond Wood

**Parking:** Lay-by, Papplewick Dam, off Linby Lane

**Contact:** 01623 827325

**Visit:** [www.papplewick.org.uk](http://www.papplewick.org.uk)

Moor Pond Wood is actually a cluster of small sites that together feature important remains of an early, mid 18th century, cotton mill along the River Leen. Now all that remains are well-preserved leats, sluices and dams.

## 5 The Ranges

**Parking:** Market Place, Hucknall

**Contact:** 01623 827329

**Visit:** [www.nottinghamshire.gov.uk/greenestatesites](http://www.nottinghamshire.gov.uk/greenestatesites)

Created on the old Linby Colliery site, The Ranges has a network of footpaths and gives spectacular open views to Newstead, Linby and Papplewick.

A 15ft sculpture "Stick Man" keeps watch over the surrounding countryside.

## 6 Southwell Trail LNR

**Parking:** Station Road Southwell, Forest Links, Bilsthorpe

**Contact:** 01623 827 331

**Visit:** [www.nottinghamshire.gov.uk/ourlnrs](http://www.nottinghamshire.gov.uk/ourlnrs)

Once part of the grand vision to create a railway from Southwell through to Derbyshire. The dream was never realised and the Southwell line was short-lived. The abandoned line grew wild with shrubs, trees and flowers and is now a prime corridor for wildlife and a peaceful gateway into the Greenwood Community Forest and historic Sherwood.

## 7 Teversal Trails LNR

**Parking:** Teversal visitor centre, Carnarvon Street, off Fackley Road, Teversal

**Contact:** 01623 442021

**Visit:** [www.teversaltrails.com](http://www.teversaltrails.com)

The Teversal Trails network of footpaths, cycle ways and horse trails were created on former railway track beds, which once served the collieries in the area.

## 8 Tippings Wood LNR

**Parking:** Off Warsop Lane, Blidworth

**Contact:** 01623 827329

**Visit:** [www.nottinghamshire.gov.uk/ourlnrs](http://www.nottinghamshire.gov.uk/ourlnrs)

Follow the locally named yellow brick road from Rainworth to Blidworth or venture further afield onto Boundary Wood. This site is a haven for dragonflies and damselflies. During the summer months see if you can spot a painted lady butterfly as she dances through the meadows.

### Symbols

Look out for these symbols throughout the programme:

Adult supervision required. Under 18s attending these events must be accompanied by an adult.

Small charge for this event to help cover the cost of staff time and materials. All other events are FREE.

Some events have limited numbers and are ticket only.

These should be booked in advance, following the appropriate instructions, where you see either of these symbols.

Not suitable for dogs.

**Please contact the venue for further information or advice about any mobility needs.**

*Please note that all outdoor events are subject to the weather and we may occasionally need to cancel or alter advertised activities accordingly.*

## **Volunteering**

Volunteering for hands on conservation work is a great way to make new friends, get fit and do something to improve your environment. So if you're over 18 get in touch today and find out more. Everyone's welcome and no previous experience is necessary as all tools and training are provided.

Tasks can involve anything from woodland conservation and hedgelaying in the winter to grassland and heathland management in the summer, but be prepared for anything!

Just wear suitable clothing and bring a packed lunch, willing hands and a sense of humour!

### **Contacts:**
